

Victory Gram

Meeting Monday, June 7th at 7:00 p.m. @ St. Pauls 11 North Park Street

Message from the President

Dear Democrats,
I want to thank you for the confidence that you have in me by voting for me to fill this unexpired presidential term. I intend to put forth every effort to make us a viable, professional entity and have fun doing it. I want to make great strides in educating ourselves and the general public concerning progressive goals and ideals that have been

posited by solid Democrats for generations. Like you, I desire to return to the days when we could go anywhere in Texas and find good Democrats in office. I will need your help, but that will be my number one goal. Fortunately, we have a great candidate for governor in Bill White. Thank you, again.

-Floyd Crider

A Note from the Party Chair

Dear fellow Democrats, I urge you to mark your calendars for Wednesday, June 9th. Our candidate for governor, Bill White, will spend the day in San Angelo, beginning with a luncheon to which all Democrats and other interested voters are invited. We are looking for a venue that will seat up to 500 people. At 5 PM, White will speak on the ASU campus at a forum sponsored by TSTA-NEA (Texas State Teachers Association and National Education Association). This forum is aimed at active and retired teachers and others who are interested in Mayor White's ideas for improving educa-

tion in Texas at all levels. It is vitally important that we produce big crowds for these events. As you know, White served three terms as Mayor of Houston and has an outstanding leadership record, in contrast to our present governor who is best known for such gaffes as stating the BP well explosion was "an act of God." With Republican candidates of this caliber running, Democrats should do well in November. Do Your Part! Be an Extraordinary Democrat! I close with a ton of gratitude

Web Site News

Some exciting work has been done to our club's web site. The e-mail subscription service is now operational. By submitting your e-mail address, you will receive the monthly newsletter electronically a few days earlier than you would through regular mail. This will save the club money, and help reduce our carbon footprint. Additionally, we have added a newsletter archive section. This web page will have PDF copies of our past newsletters available for download. Lastly, we have made our bylaws available for download as a PDF file. Come see the new features at www.tgcdc.org.

to the small group of volunteers who made us look good at the Relay For Life.
